

## HOME-STYLED MEALS

I have always been charmed by cooking new dishes which; has inspired me to create my own collection of home styled meals. The pleasure of course is to share it with people who are going to sit around a table and enjoy as if they cooked it themselves!

I prepare in foil containers BUT, feel free to bring in your ceramic ovenware and we will gladly prepare your meals in there!

We need 12-hour notice when placing an order to have your meal ready for collecting

You can WhatsApp your order directly to 064 9025888 OR 0649036559

Thank you
